De-content

Exclusive Content Access Platform

How do I Publish Content?

1. Visit the 'Publish Content' page

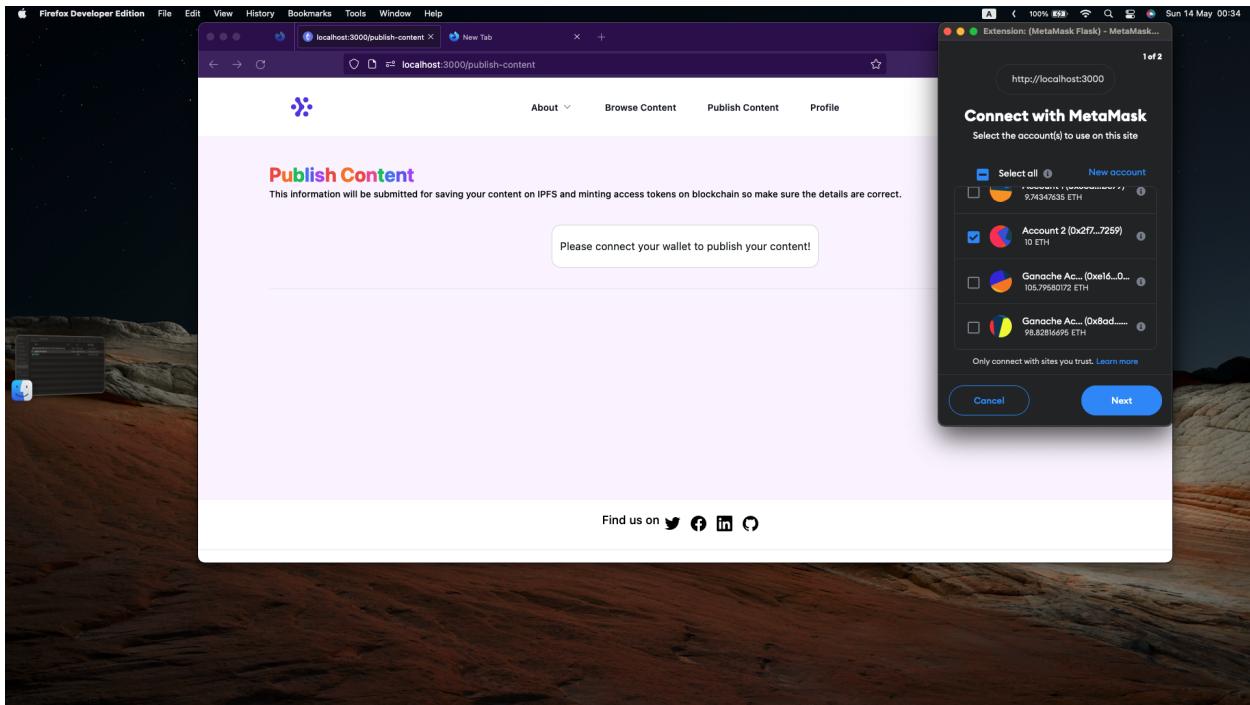

The screenshot shows the De-content platform's interface. At the top, there is a navigation bar with links for 'About', 'Browse Content', 'Publish Content' (which is highlighted in blue), and 'Profile'. To the right of the navigation bar is a purple button labeled 'Connect Wallet' with a white icon. Below the navigation bar, the main content area has a light purple background. In the center, there is a section titled 'Publish Content' in a colorful, sans-serif font. Below the title, a small note reads: 'This information will be submitted for saving your content on IPFS and minting access tokens on blockchain so make sure the details are correct.' A call-to-action button with rounded corners and a thin border contains the text 'Please connect your wallet to publish your content!'. At the bottom of the page, there is a footer bar with the text 'Find us on' followed by icons for Twitter, Facebook, LinkedIn, and GitHub.

<https://decontent.ai>

2. Click on the 'Connect Wallet' button in case the wallet is not connected, choose a wallet and click 'Next'

3. Verify the details and click on 'Connect' to authorize the connection.

<https://decontent.ai>

- When the wallet connection is successful, the 'Publish Content' form will appear.

The screenshot shows the 'Publish Content' page on the decontent.ai website. At the top, there's a navigation bar with links for 'About', 'Browse Content', 'Publish Content' (which is the active tab), and 'Profile'. A wallet address '0x2f767279Be16A5113e0b7E633e6d2fe7F43d7259' is displayed with a copy icon. Below the navigation, a heading 'Publish Content' is followed by a sub-instruction: 'This information will be submitted for saving your content on IPFS and minting access tokens on blockchain so make sure the details are correct.' The form fields include:

- Wallet Address:** A text input field containing the wallet address '0x2f767279Be16A5113e0b7E633e6d2fe7F43d7259'. Below it is a note: 'Double check you are connected to the correct wallet address.'
- Title:** A text input field labeled 'Enter Content Title'.
- Author:** A text input field labeled 'Enter Author Name'.
- Description:** A large text area labeled 'Enter Content Description'.
- List Price:** A digital currency selector showing 'ETH' with a value of '0.01'. Buttons for '-' and '+' are available to change the amount.
- Upload Thumbnail:** A placeholder area with a camera icon and the text 'Upload an image or drag and drop PNG, JPG up to 4MB'.

At the bottom, there are two buttons: 'Go Back' and a large blue 'Mint Content' button.

8. Pick any content that you would like to bind this non-fungible token and click 'open' to upload it to the IPFS network. [This content is encrypted with a secure algorithm using a generated key pair before uploading to IPFS to ensure that no one could randomly access the content on IPFS and view it]

<https://decontent.ai>

9. After the content is uploaded successfully, click on the 'Mint Content' button. When the transaction appears in your wallet click 'Confirm' to mint the token.

<https://decontent.ai>

10. Then your access NFT will be minted on the chain after a few moments. You will receive the corresponding tx with the success message above the form.

- Finally, you can visit the 'Profile' page to view the minted access token in your wallet along with accessible links.

The screenshot shows the De-content.ai profile page. At the top, there's a navigation bar with links for 'About', 'Browse Content', 'Publish Content', and 'Profile'. To the right of the navigation is a wallet address: '0x2f767279Be16A5113e0b7' with a copy icon. Below the navigation, the word 'Profile' is highlighted in red, followed by the sub-instruction 'Explore the NF Access Tokens you created or purchased.' On the left, there's a thumbnail image of a video titled 'Calming Video #1' by 'The Calming Bro'. Below the thumbnail, it says '0.02 ETH' and has a green 'Owned' button with a checkmark. On the right, there's a section for updating the name, with the current name 'The calming bro' and a blue 'Update Name' button. At the bottom, there's a footer with social media links for Twitter, Facebook, LinkedIn, and GitHub, and a copyright notice: '© 2023 De-content. All rights reserved.'

<https://decontent.ai>

How do I Purchase Content?

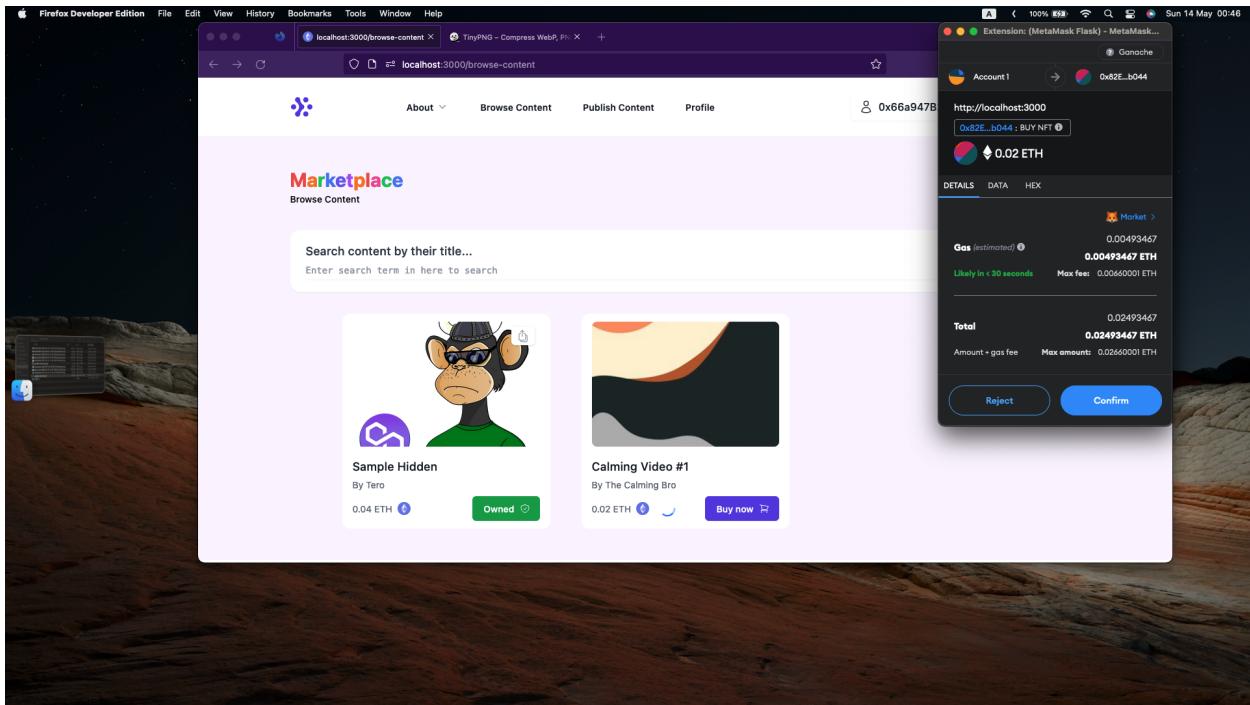

1. First, visit the 'Marketplace' page. If you aren't connected to your wallet make sure that you connect your wallet before proceeding.

The screenshot shows the De-content Marketplace homepage. At the top, there is a navigation bar with links for 'About', 'Browse Content', 'Publish Content', and 'Profile'. A user profile icon and address '0x66a947B24A206C272b23' are also present. Below the navigation, the word 'Marketplace' is displayed in a colorful font, followed by a 'Browse Content' button. A search bar with the placeholder 'Search content by their title...' is shown. Two content items are listed: 'Sample Hidden' by Tero, which costs 0.04 ETH and is marked as 'Owned', and 'Calming Video #1' by The Calming Bro, which costs 0.02 ETH and has a 'Buy now' button. At the bottom, social media links for Twitter, Facebook, LinkedIn, and GitHub are provided, along with a copyright notice: '© 2023 De-content. All rights reserved.'

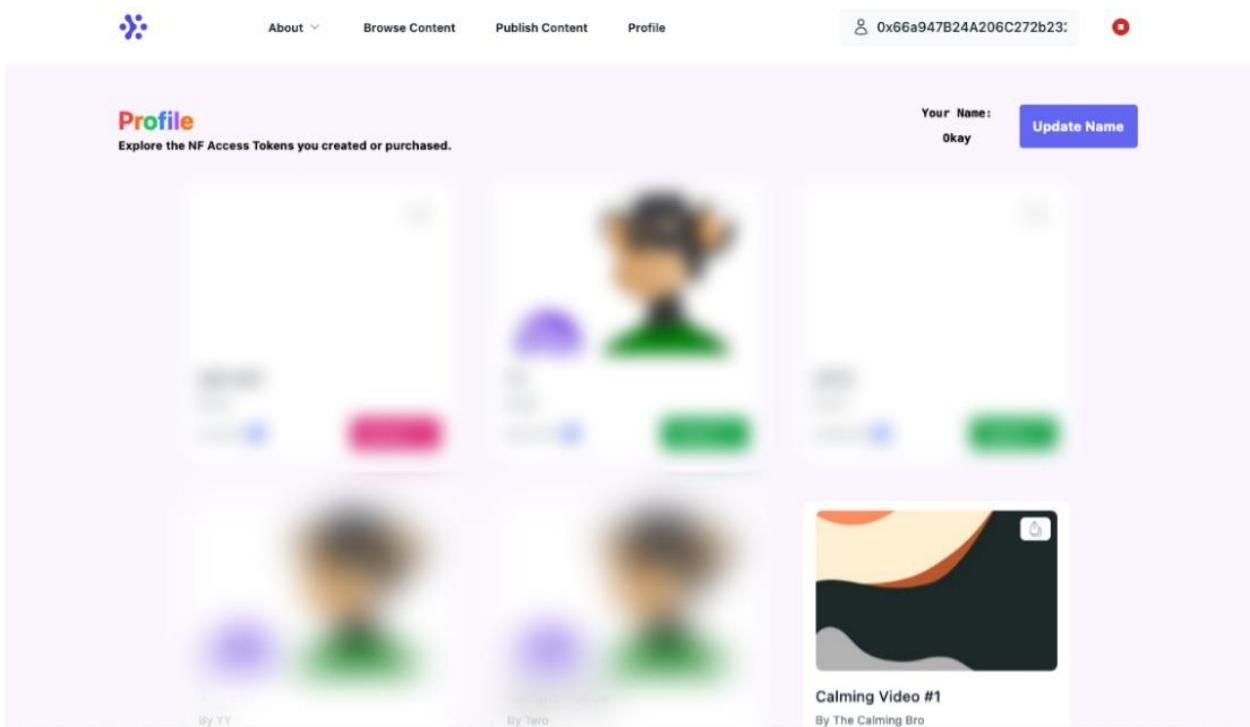

<https://decontent.ai>

2. Click on the 'Buy Now' button of any content to purchase it for the listed amount. Then click on 'Confirm' to approve when the transaction appears in the wallet

3. When the transaction is approved, a success message will appear, and you will be redirected to your profile page displaying all owned NFTs.

<https://decontent.ai>

How do I Access Exclusive Content?

1. Visit the 'Profile' page and click on the "access" icon that appeared in the upper right corner of the item to view, re-sell, and access exclusive content.

The screenshot shows the 'Profile' section of the decontent.ai website. At the top, there's a navigation bar with links for 'About', 'Browse Content', 'Publish Content', and 'Profile'. On the right side of the header, there's a user profile icon with the address '0x66a947B24A206C272b23:' and a red circular notification icon. Below the header, the word 'Profile' is displayed in red, followed by the sub-instruction 'Explore the NF Access Tokens you created or purchased.' To the right of this text, there's a form field labeled 'Your Name:' with a placeholder 'Okay' and a blue 'Update Name' button. The main content area is blurred, showing several small profile icons and a video thumbnail for 'Calming Video #1' by 'The Calming Bro'. The video thumbnail features a dark background with abstract orange and yellow shapes.

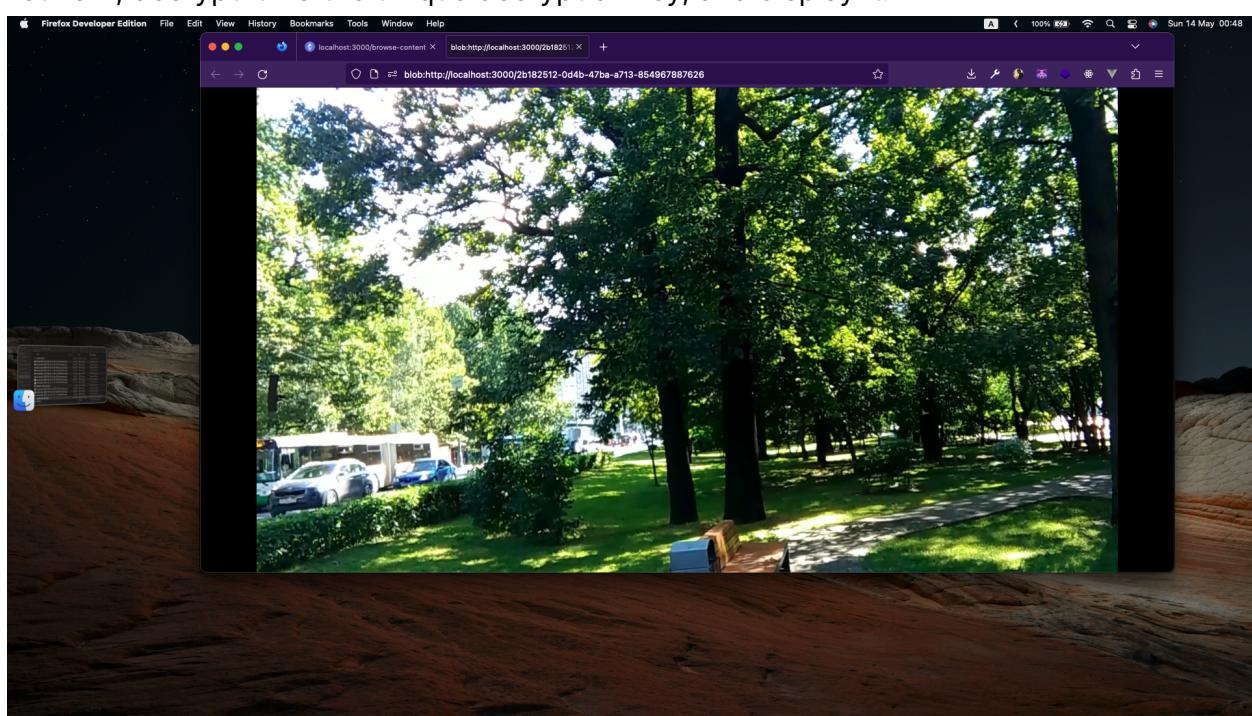

<https://decontent.ai>

2. Click on the 'Access Exclusive Content' button. It will decrypt and access the hidden exclusive content bound with the access token.

The screenshot shows the 'Access Content' page for a video titled 'Calming Video #1'. The page features a large image of a sunset over mountains. To the right, the video title 'Calming Video #1' is displayed along with the creator's handle '@The Calming Bro' and their wallet address '0x2f767279Be16A5113e0b7E633e6d2fe7F43d7259'. A 'Description:' section states: 'This exclusive token gives you access to our most precious calming video #1, the first in the series. - The calming bro'. Below this, the price 'Last traded @ 0.02 ETH' is shown with a blue ETH icon. At the bottom are two buttons: 'List on Marketplace' (blue) and 'Access Exclusive Content' (orange).

3. After validating the ownership of the token, it'll fetch the content from the IPFS network, decrypt it via the unique decryption key, and display it.

<https://decontent.ai>

How do I List Purchased Token For Sale?

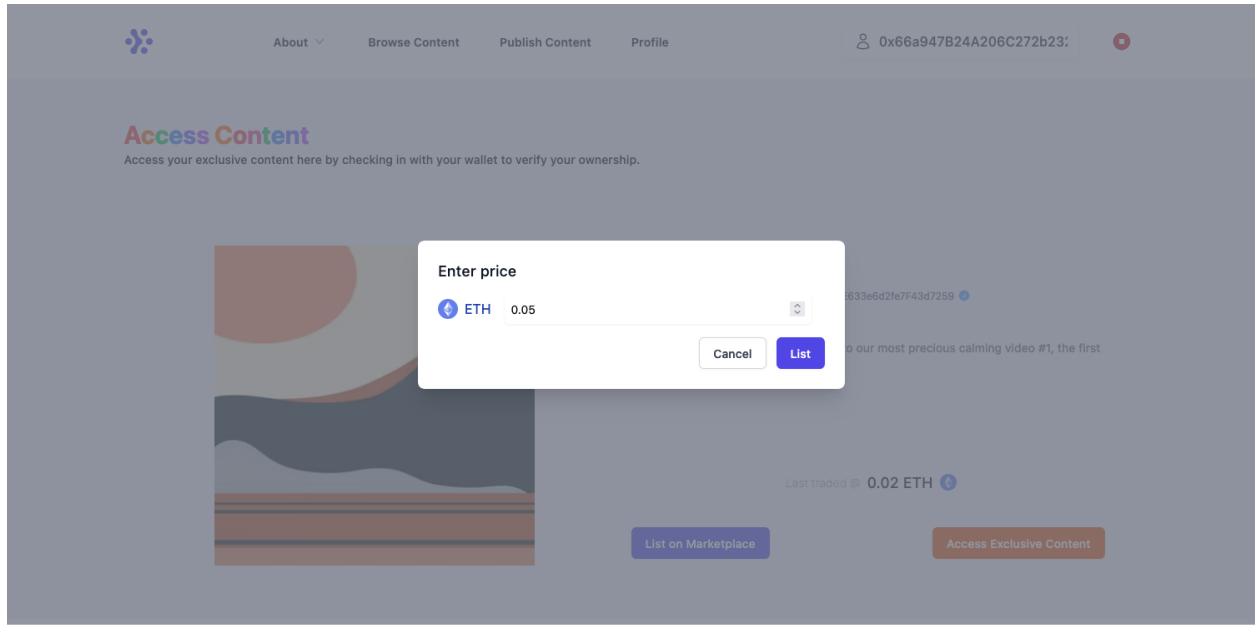

1. Visit the 'Profile' page and click on the "access" icon that appeared in the upper right corner of the item to view, re-sell, and access exclusive content.

The screenshot shows the decontent.ai Profile page. At the top, there is a navigation bar with links: About, Browse Content, Publish Content, and Profile. To the right of the Profile link is a user icon and the address 0x66a947B24A206C272b23:, followed by a red circular button. Below the navigation bar, the word "Profile" is displayed in red, with the subtitle "Explore the NF Access Tokens you created or purchased." A "Your Name:" field contains "Okay" with a "Update Name" button next to it. The main content area is blurred, showing several small profile icons and a video thumbnail for "Calming Video #1" by "The Calming Bro".

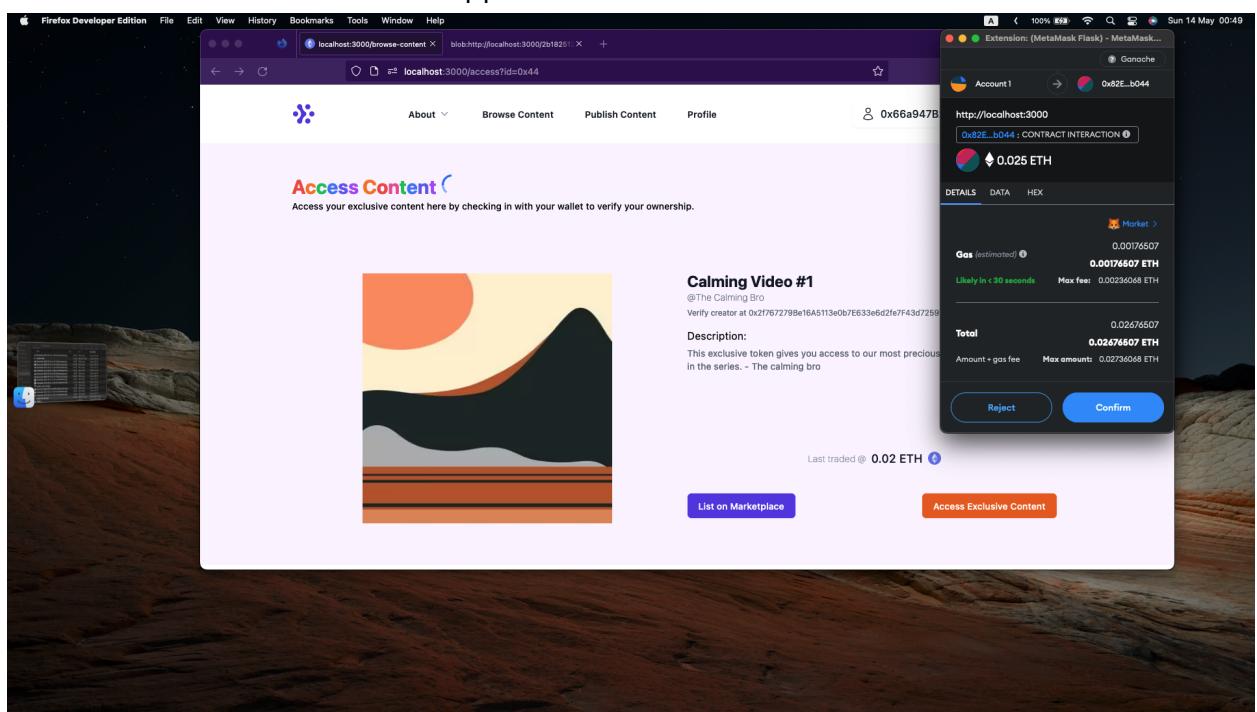

<https://decontent.ai>

2. Click on the 'List on Marketplace' button. Then select a valid rate to sell the token and click the 'List' button.

3. Click on the 'Confirm' button to approve the transaction and list the token.

<https://decontent.ai>

4. The token will be listed for sale in the ‘Browse Content’ area again and the content on the page is updated accordingly with the new selling price.

Screenshot of the De-content.ai platform showing the listing of an NFT:

The top navigation bar includes: About, Browse Content, Publish Content, Profile, and a user icon with address 0x66a947B24/. A success message box displays: **NFT listed successfully!**

The main content area features a section titled **Access Content** with the sub-instruction: Access your exclusive content here by checking in with your wallet to verify your ownership.

A large image thumbnail for the NFT, titled **Calming Video #1**, is shown. The image depicts a stylized landscape with orange, yellow, and black waves.

Details for the NFT:
Calming Video #1
@The Calming Bro
Verify creator at 0x2f767279Be16A5113e0b7E633e6d2fe7F43d7259
