De-content

Exclusive Content Access Platform

How do I Publish Content?

1. Visit the 'Publish Content' page

Publish Content
This information will be submitted for saving your content on IPFS and minting access tokens on blockchain so make sure the details are correct.

Please connect your wallet to publish your content!

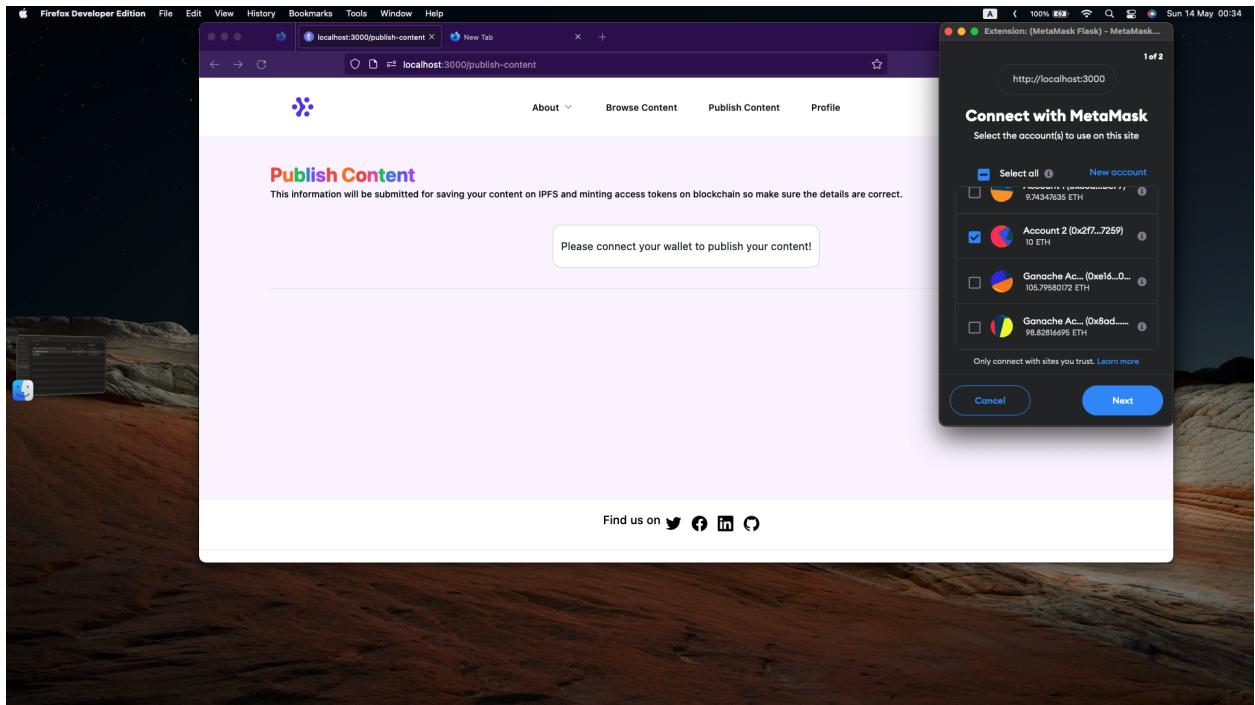

Find us on

<https://decontent.ai>

2. Click on the 'Connect Wallet' button in case the wallet is not connected, choose a wallet and click 'Next'

3. Verify the details and click on 'Connect' to authorize the connection.

<https://decontent.ai>

- When the wallet connection is successful, the 'Publish Content' form will appear.

The screenshot shows the 'Publish Content' form on the decontent.ai website. At the top, there's a navigation bar with links for 'About', 'Browse Content', 'Publish Content', and 'Profile'. A user profile icon and address '0x2f767279Be16A5113e0b7E633e6d2fe7F43d7259' are also visible. Below the navigation, the main form area has a title 'Publish Content' and a sub-instruction: 'This information will be submitted for saving your content on IPFS and minting access tokens on blockchain so make sure the details are correct.' The form fields include:

- Wallet Address:** A text input field containing the value '0x2f767279Be16A5113e0b7E633e6d2fe7F43d7259'. Below it is a note: 'Double check you are connected to the correct wallet address.'
- Title:** A text input field labeled 'Enter Content Title'.
- Author:** A text input field labeled 'Enter Author Name'.
- Description:** A large text input area labeled 'Enter Content Description'.
- List Price:** A digital currency selector showing 'ETH' with a value of '0.01'. There are minus and plus buttons to adjust the amount.
- Upload Thumbnail:** A file upload section with a placeholder image icon and instructions: 'Upload an image or drag and drop PNG, JPG up to 4MB'.

At the bottom of the form, there are two buttons: 'Go Back' and a large blue 'Mint Content' button.

<https://decontent.ai>

- Now fill the fields with valid metadata of your content, and click on the 'Upload an Image' button to add your thumbnail image.

The screenshot shows the 'Publish Content' section of the De-content website. At the top, there's a navigation bar with links for 'About', 'Browse Content', 'Publish Content', and 'Profile'. A user profile icon and address '0x2f767279Be16A5113e0b7E633e6d2fe7F43d7259' are also present. Below the navigation, the main form area has the following fields:

- Wallet Address:** A text input field containing the address '0x2f767279Be16A5113e0b7E633e6d2fe7F43d7259'. A note below it says 'Double check you are connected to the correct wallet address.'
- Title:** A text input field containing 'Calm Video #1'.
- Author:** A text input field containing 'The Calming Bro'.
- Description:** A text area containing the text 'This exclusive token gives you access to our most precious calming video #1, the first in the series. - The calming bro'.
- List Price:** A field showing '0.02' with a dropdown menu set to 'ETH' and buttons for '-' and '+'.
- Upload Thumbnail:** A large input field with a dashed border for file uploads. It includes a placeholder 'Upload an image or drag and drop' and a note 'PNG, JPG up to 4MB'.

At the bottom of the form are two buttons: 'Go Back' and a large blue 'Mint Content' button.

8. Pick any content that you would like to bind this non-fungible token and click 'open' to upload it to the IPFS network. [This content is encrypted with a secure algorithm using a generated key pair before uploading to IPFS to ensure that no one could randomly access the content on IPFS and view it]

<https://decontent.ai>

9. After the content is uploaded successfully, click on the 'Mint Content' button. When the transaction appears in your wallet click 'Confirm' to mint the token.

<https://decontent.ai>

10. Then your access NFT will be minted on the chain after a few moments. You will receive the corresponding tx with the success message above the form.

- Finally, you can visit the 'Profile' page to view the minted access token in your wallet along with accessible links.

The screenshot shows the De-content.ai Profile page. At the top, there is a navigation bar with links for About, Browse Content, Publish Content, and Profile. On the right side of the header, there is a user profile section with the address 0x2f767279Be16A5113e0b7 and a blue "Update Name" button. Below the header, the main content area is titled "Profile" and describes it as "Explore the NF Access Tokens you created or purchased." A thumbnail image of a video titled "Calming Video #1" by "The Calming Bro" is displayed, along with the text "0.02 ETH" and a green "Owned" button. At the bottom of the page, there is a footer with social media links for Twitter, Facebook, LinkedIn, and GitHub, and a copyright notice: "© 2023 De-content. All rights reserved."

<https://decontent.ai>

How do I Purchase Content?

1. First, visit the 'Marketplace' page. If you aren't connected to your wallet make sure that you connect your wallet before proceeding.

The screenshot shows the De-content Marketplace interface. At the top, there is a navigation bar with links for 'About', 'Browse Content', 'Publish Content', and 'Profile'. A user account icon and address '0x66a947B24A206C272b23:' are also present. Below the navigation is the 'Marketplace' header with a 'Browse Content' link. A search bar is provided with the placeholder 'Search content by their title...'. Two content items are listed:

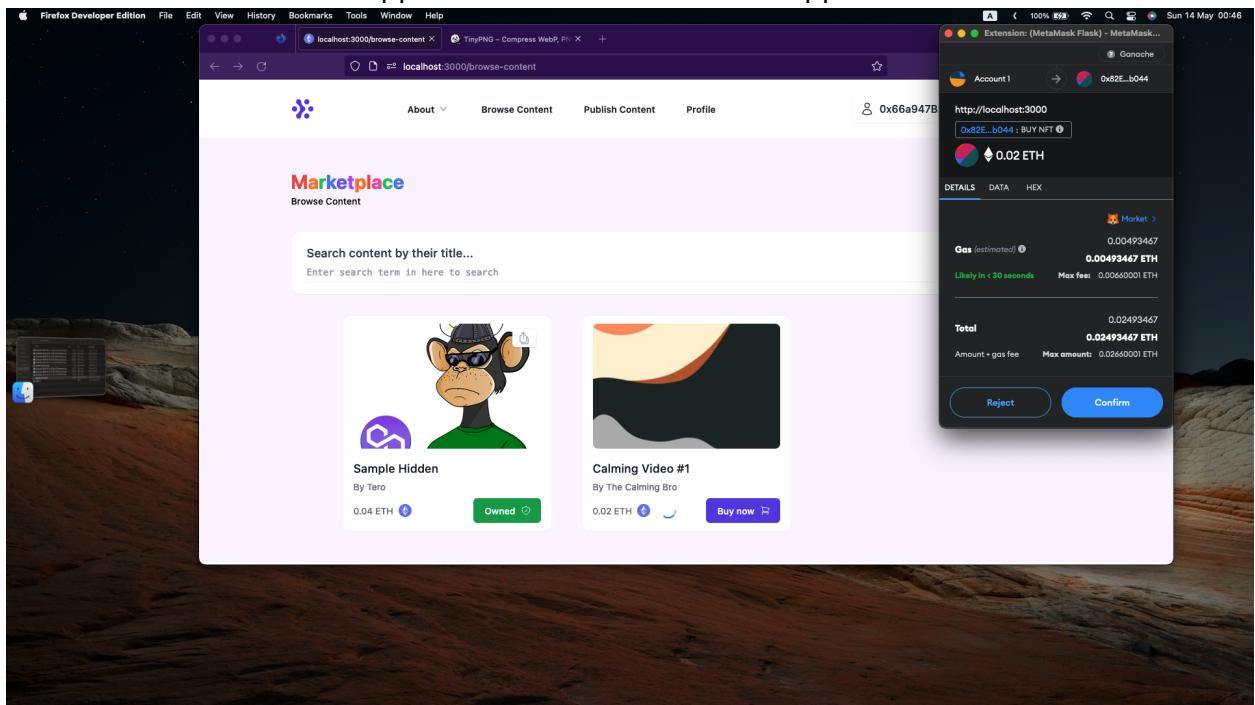

- Sample Hidden** By Tero. Price: 0.04 ETH. Status: Owned (green button).
- Calming Video #1** By The Calming Bro. Price: 0.02 ETH. Status: Buy now (blue button).

At the bottom, there is a footer with social media links: Twitter, Facebook, LinkedIn, and GitHub. The footer also includes the copyright notice: "© 2023 De-content. All rights reserved."

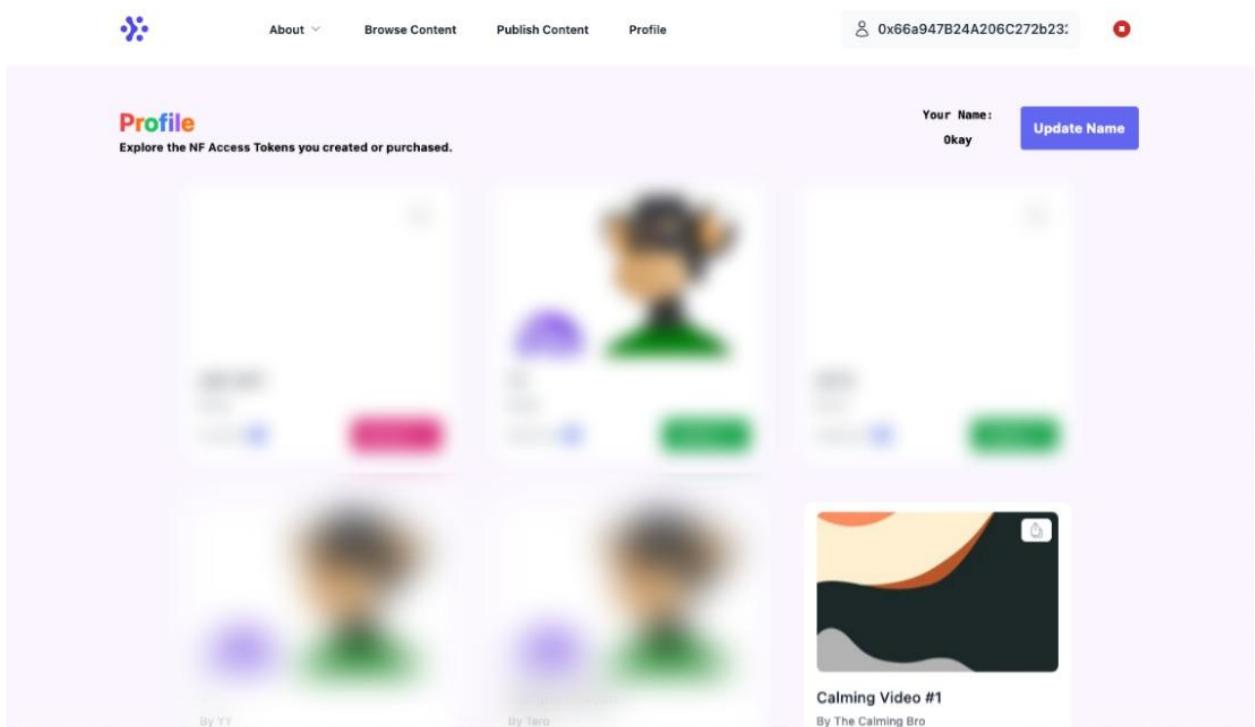

<https://decontent.ai>

2. Click on the 'Buy Now' button of any content to purchase it for the listed amount. Then click on 'Confirm' to approve when the transaction appears in the wallet

3. When the transaction is approved, a success message will appear, and you will be redirected to your profile page displaying all owned NFTs.

<https://decontent.ai>

How do I Access Exclusive Content?

1. Visit the 'Profile' page and click on the "access" icon that appeared in the upper right corner of the item to view, re-sell, and access exclusive content.

The screenshot shows the 'Profile' section of the decontent.ai website. At the top, there's a navigation bar with links for 'About', 'Browse Content', 'Publish Content', and 'Profile'. On the right side of the header, there's a user profile icon, the address '0x66a947B24A206C272b23:', and a red circular notification icon. Below the header, the word 'Profile' is displayed in large, colorful letters, followed by the sub-instruction 'Explore the NF Access Tokens you created or purchased.' To the right of this text, there's a 'Your Name:' field containing 'Okay' and a blue 'Update Name' button. The main content area displays a grid of items. In the center, there's a blurred profile picture of a person with short brown hair. Below this, there are several other blurred items, including what looks like a small video thumbnail. At the bottom right, there's a clear thumbnail for a video titled 'Calming Video #1' by 'The Calming Bro'. This thumbnail features a black background with abstract orange and yellow wavy shapes.

<https://decontent.ai>

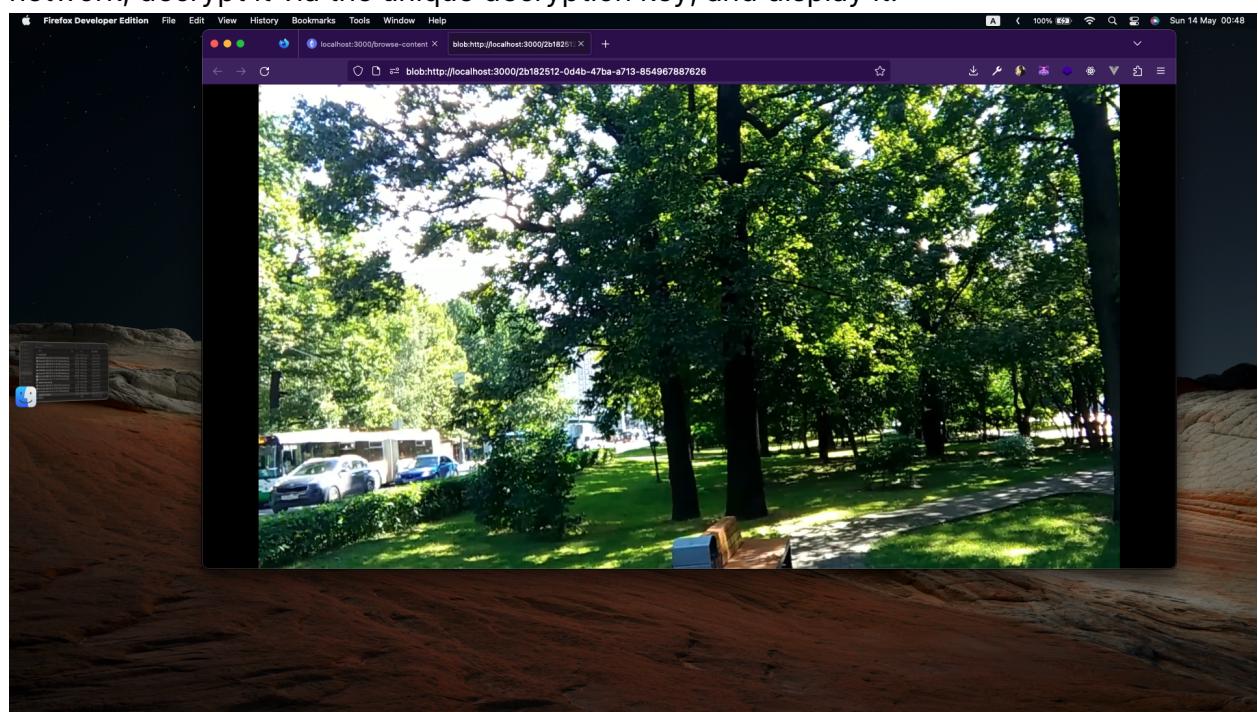

2. Click on the 'Access Exclusive Content' button. It will decrypt and access the hidden exclusive content bound with the access token.

The screenshot shows the De-content.ai website's interface. At the top, there is a navigation bar with links for 'About', 'Browse Content', 'Publish Content', and 'Profile'. A user profile icon and address '0x66a947B24A206C272b23:' are also present. Below the navigation, a section titled 'Access Content' with a purple background displays a message: 'Access your exclusive content here by checking in with your wallet to verify your ownership.' To the right, there is a large image of a sunset or sunrise over a dark landscape. Next to it, a section titled 'Calming Video #1' is shown, with the subtitle '@The Calming Bro'. It includes a link to 'Verify creator at 0x2f767279Be16A5113e0b7E633e6d2fe7F43d7259' and a 'Description' block stating: 'This exclusive token gives you access to our most precious calming video #1, the first in the series. - The calming bro'. Below this, a note says 'Last traded @ 0.02 ETH' with a blue circular icon. At the bottom, there are two buttons: 'List on Marketplace' (purple) and 'Access Exclusive Content' (orange).

3. After validating the ownership of the token, it'll fetch the content from the IPFS network, decrypt it via the unique decryption key, and display it.

<https://decontent.ai>

How do I List Purchased Token For Sale?

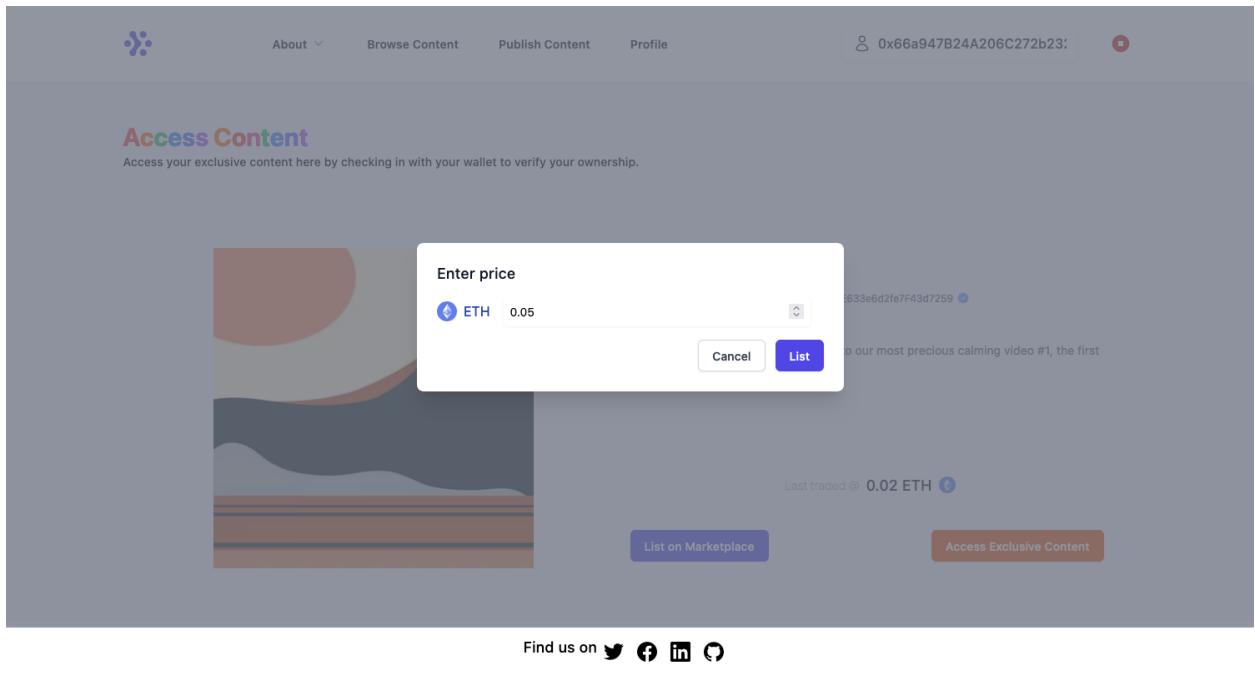

1. Visit the 'Profile' page and click on the "access" icon that appeared in the upper right corner of the item to view, re-sell, and access exclusive content.

The screenshot shows the 'Profile' page of the decontent.ai website. At the top, there is a navigation bar with links for 'About', 'Browse Content', 'Publish Content', and 'Profile'. A user profile icon and the address '0x66a947B24A206C272b23:' are also present. Below the navigation, a section titled 'Profile' with the subtitle 'Explore the NF Access Tokens you created or purchased.' is visible. On the right, there is a form to update the user's name, with fields for 'Your Name' (containing 'Okay') and a 'Update Name' button. The main content area displays several blurred profile icons and names, such as 'By YY' and 'By Tero'. In the bottom right corner, a specific item is highlighted: 'Calming Video #1' by 'The Calming Bro', which is shown as a thumbnail image of a wavy landscape.

<https://decontent.ai>

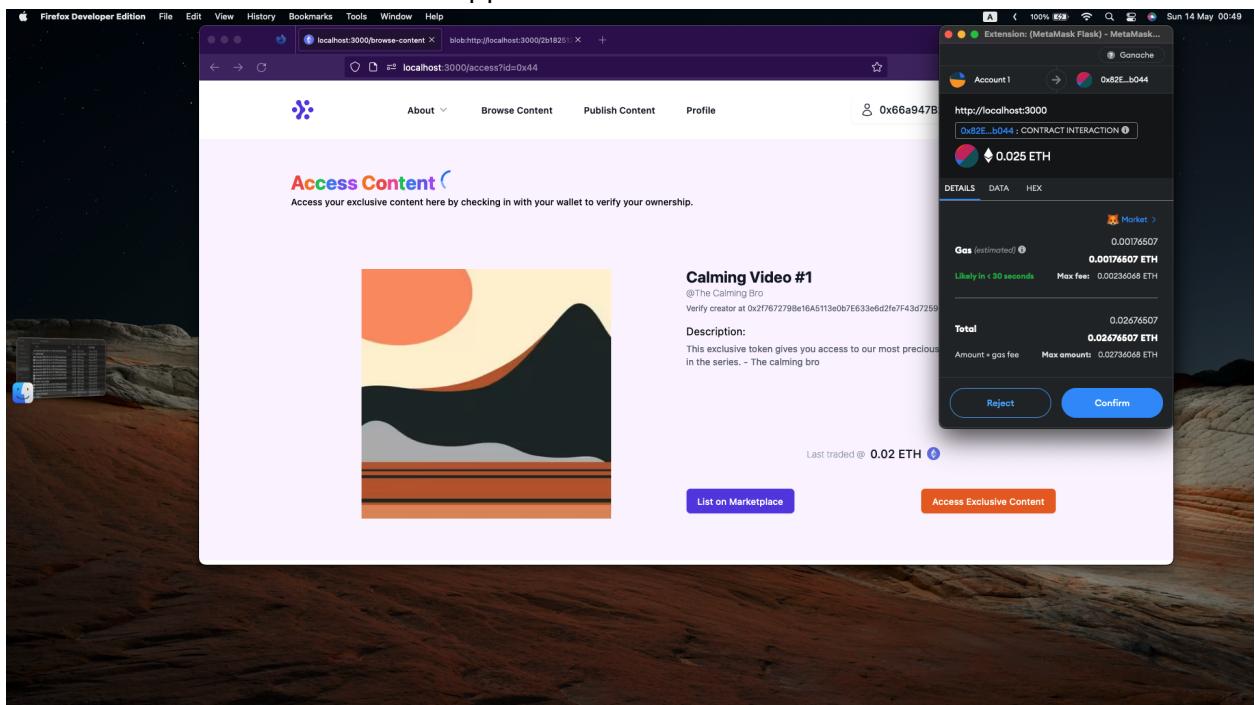

2. Click on the 'List on Marketplace' button. Then select a valid rate to sell the token and click the 'List' button.

Find us on [Twitter](#) [Facebook](#) [LinkedIn](#) [GitHub](#)

© 2023 De-content. All rights reserved.

3. Click on the 'Confirm' button to approve the transaction and list the token.

<https://decontent.ai>

4. The token will be listed for sale in the 'Browse Content' area again and the content on the page is updated accordingly with the new selling price.

The screenshot shows a web interface for 'Access Content'. At the top, there's a navigation bar with links for 'About', 'Browse Content', 'Publish Content', and 'Profile'. A user profile icon and the address '0x66a947B24...' are also present. A success message 'NFT listed successfully!' is displayed in a box. Below the navigation, a section titled 'Access Content' with the sub-instruction 'Access your exclusive content here by checking in with your wallet to verify your ownership.' is shown. A large, abstract graphic featuring orange, yellow, and black waves is displayed. To the right of the graphic, the title 'Calming Video #1' is shown, along with the creator's handle '@The Calming Bro' and their Ethereum address. A 'Description:' section provides details about the token's purpose. Below this, a price of '0.05 ETH' is listed with a blue link. Two buttons at the bottom are 'Listed on Marketplace' (green) and 'Access Exclusive Content' (orange).

5. Visit the 'Marketplace' page and you will see the listed access token is available for public sale at the mentioned price.

The screenshot shows the De-content Marketplace interface. At the top, there is a navigation bar with links for 'About', 'Browse Content', 'Publish Content', and 'Profile'. A user profile icon and the address '0x66a947B24A206C272b23:' are also visible. Below the navigation, the word 'Marketplace' is prominently displayed in a colorful font, with a 'Browse Content' link underneath. A search bar with the placeholder 'Search content by their title...' and the instruction 'Enter search term in here to search' is present. Two content items are listed in a grid:

- Sample Hidden** (By Tero) - Price: 0.04 ETH - Status: Owned
- Calming Video #1** (By The Calming Bro) - Price: 0.05 ETH - Status: Owned

At the bottom of the page, there is a footer section with the text 'Find us on' followed by icons for Twitter, Facebook, LinkedIn, and GitHub. A copyright notice at the very bottom reads '© 2023 De-content. All rights reserved.'
